

FISCAL NOTE

HB 2603 - SB 2932

February 12, 2004

SUMMARY OF BILL: Specifies that no person shall receive an initial or intermediate driver license unless such person presents proof of completion of a driver education and training course that satisfies the minimum standards of the driver traffic safety education curriculum approved by the State Board of Education.

ESTIMATED FISCAL IMPACT:

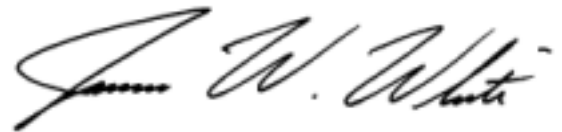

Decrease State Revenues - Exceeds \$100,000

Estimate assumes:

- approximately 53,000 licensees affected by provisions annually.
- lack of availability and cost issues related to driver safety courses will prevent approximately 10% of these licensees from obtaining their license annually.
- a decrease in state revenues from driver license fees (\$19.50 each).

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive, with the first name "James" written in a larger, more prominent script than the last name "White".
